

TDD com Ruby on Rails, RSpec e Capybara

Jackson Pires

The background is a solid green color with a repeating pattern of light green geometric shapes. These shapes include squares with smaller squares inside, plus signs, and circles with smaller circles inside, all rotated at various angles.

Mocks

4 fases do teste padrão xUnit

- Setup
- Exercise
- Verify
- Teardown

Stub

"Stubs são para a fase de Setup"

"Stubs são usados para substituir estados."

Mock

"Mocks são para a fase de Verify"

"Mocks são usados para testar comportamentos"

The background is a solid green color. It is decorated with various light green geometric shapes scattered across the surface. These shapes include squares (some with smaller squares inside them), circles (some with smaller circles inside them), and plus signs. The shapes are of different sizes and are oriented in various directions, creating a patterned effect.

*Mock Expectations

The background is a solid green color with a pattern of light green geometric shapes. These shapes include squares, circles, and crosses, some of which are rotated or offset from the grid. The shapes are scattered across the entire background, creating a subtle, modern pattern.

Rspec Expectations vs Mock Expectations

Mock

```
expect(student).to receive(:bar)
```

Mock em 4 fases

- Setup
- Verify
- Exercise
- Teardown
