

TDD com Ruby on Rails, RSpec e Capybara

Jackson Pires

Method Stubs

The background is a solid green color. It is decorated with various light green geometric shapes scattered across the surface. These shapes include squares, some of which are rotated 45 degrees to appear as diamonds, circles, and plus signs. The shapes vary in size and are distributed in a non-uniform, random pattern.

Restrição de Argumentos

```
receive().with()
```

```
.with(an_instance_of(Class))
```

Argumentos Dinâmicos

```
allow(object).to receive(:foo) do |arg|  
  if arg == :this  
    "got this"  
  elsif arg == :that  
    "got that"  
  end  
end
```

Qualquer instância de uma classe

```
allow_any_instance_of(Class).to  
  receive(:foo).and_return(false)
```

Testando Erros

```
.and_raise(RuntimeError)
```
